Global Ministries, the worldwide mission and development agency of The United Methodist Church, invites members to give love, joy, hope and peace through a denomination wide year-end giving campaign. Between November 1 and December 31, Global Ministries will share stories of transformational mission work and the ways financial gifts through the Advance impact lives.

Since 1948, support of the Advance – the designated mission giving channel of the church – has raised funds that positively affect change within communities and empower individuals across the globe. Thanks to faithful giving, the Advance has funneled more than \$1 billion dollars to equip ministries worldwide.

Global Ministries connects the church in mission through evangelism and church revitalization, missionaries, global health, and disaster response and recovery. Every contribution makes a difference in this important work.

Beginning November 1, mission-funding gifts to the Advance through the year-end campaign can be made at umcmission.org/givelove.

For additional information, contact donationhelp@umcmission.org.
