

MISSION VOLUNTEER PARTNERSHIP REQUEST

The United Methodist Mission Volunteers (MV) program offers individuals and couples, ages 18 and up, the opportunity to volunteer for two months or longer through a long-term placement. Volunteers can use their personal gifts to engage and live in community with those whom they serve.

The Mission Volunteers program welcomes partnership requests from across the United States and around the world for our long-term volunteers. Since there should be a mutual relationship between the partners, Global Ministries and the volunteer, these guidelines have been established to help the partner in completing the partner request form.

Criteria for partners

1. The partnering organization should be associated with or be a part of a United Methodist Church and/or linked to autonomous/ecumenical churches.
2. The ministry focus of the partnering organization should fall into one or more of these areas:
 - a. Make disciples of Jesus Christ
 - b. Seek to alleviate human suffering
 - c. Strengthen, develop, and renew communities and/or Christian congregations
 - d. Seek justice, freedom, and peace
3. A completed partnership request form must be approved and signed by the judicatory head of the region/conference, a Global Ministries missionary serving in the region/conference, or ecumenical director.
4. A copy of your abuse protection policy for children, youth and vulnerable adults related to your ministry must be shared and should offer guidance regarding appropriate behavior and standards for safety and protection of human dignity.
5. Partners agree to find housing and make living arrangements for the volunteer.
6. For international placements, volunteers and partners are directed to support the obtaining of tourist visas. Volunteers do not acquire work visas, as they are not paid for their services.
7. Evaluations at the end of service are expected from both volunteers and the placement site. These evaluations are critical to determine if any adjustments need to be made.
8. Please contact the MV office if there is a change of assignment for the volunteer, or if the placement or volunteer needs to be withdrawn.
9. A copy of your COVID-19 protocols that address how the mission volunteer's work/or placement will be affected if they are exposed to or contract COVID-19 must be shared, and preventative measures you require.

By putting your name and date here, you acknowledge agreement to the above criteria.
